A PERFECT BREWERY

First class material and skilled labor are necessary to produce the Purest and Finest Beer such as

STEGMAIERS BEER.

A Brewery unapproached in the perfection of its appliances' and men whose experience in the business have made them thoroughly familiar with it.

We use nothing but the Choicest Malt and Hops that money can buy. Every step in the process of Brewing is done under the personal supervision of one who has spent a life time in the business.

Purity above everything else is the motto that we follow unceasingly, that is why

Stegmaiers Beer is the Purest and Best.
